

Activity Report on Uddan

On September 14, 2022, Deshabandhu Mahavidyalaya, in collaboration with Uddan, orchestrated an illuminating event centered around the theme "Future is What We Make It," with a particular focus on the Skill India concept, launched by Prime Minister Narendra Modi. The program, graced by our esteemed Principal, Dr. Tridib Santapa Undu, the IQAC Coordinator, Dr. Apurba Kumar Roy, and a distinguished representative from Uddan, aimed to elucidate the importance of skill development in shaping the future of India. Dr. Abul Hossain delivered an inspiring lecture, urging students to harness their skills and talents to navigate the complexities of the modern world. Additionally, members from Uddan shared their expertise through insightful lectures, providing valuable perspectives on skill acquisition and its role in driving socio-economic progress. Through engaging discussions and practical insights, the program underscored the significance of the Skill India initiative in empowering youth and fostering inclusive growth.
